## **An important note for the users**

*The attached Preferred Practices are written to enhance, and in some respects to standardize, various key activities in our club. They should be treated and used more as guidelines than as a rigid set of rules and regulations. *Please remember that Preferred Practices stem from our Club's combined experience in organizing activities efficiently and smoothly. If there is a doubt that a particular Preferred Practice is impractical, or it is non-functional due to a particular set of circumstances, please bring it to the attention of the person responsible for Knowledge Management or the Club President or any Board Member.*
